SPECIALTY AEROSOLS

#5901 WAX & GREASE REMOVER (11 OZ.)

5 STAR XTREME Wax & Grease Remover is a rapid acting safe cleaner for removing wax and grease from most painted or plastic finishes. #5901 quickly removes wax, grease, oil and other contaminants safely without leaving any residue behind. #5901 Wax and Grease Remover also removes paint overspray, adhesives, sealants, road tar, asphalt undercoating, wax, silicone, oil, grease and chewing gum.

#5908 MULTI-FILL PRIMER, GRAY (11 OZ.)

5 STAR XTREME MULTI-FILL Flexible Primer is formulated for use on plastic bumpers, fiberglass and metal. It is fast drying and has very high solids content for faster build with fewer applications. #5908 can easily fill sand scratches and pinholes quickly. Multi-Fill is a fast drying product that can be sanded quickly and easily without clogging the sand paper.

#5909 SELF ETCH PRIMER, GRAY (16 OZ.)

5 STAR XTREME ETCH FILL One Step Gray is unique and convenient to use 'etch type' primer that provides excellent adhesion for additional top coats, primers, and sealers to metals. This product is compatible with all Automotive primer surfacers for spot repair and refinishing. Apply to steel, aluminum, and most metals.

WITH VALUE!

#5911 TRIM BLACK (SATIN - 15 OZ.)

#5912 TRIM BLACK (FLAT - 15 OZ.)

5 STAR XTREME TRIM BLACK – SATIN and FLAT restore auto trim, bumpers and wheels to factory black O.E.M. specifications. The specially formulated trim black coatings are a self-etching coating that requires minimal surface preparation before application. #5911 and #5912 provides you an easy way to restore your black trim back to the factory OEM specifications.

#5913 BLEND AWAY BLENDING SOLVENT (12.6 OZ.)

5 STAR XTREME BLEND AWAY is ideal for use with both MS and HS clear coats. 100% UV stable. It is a quick, simple, precise way to dissolve the edges of 2K coatings. #5913 enhances the effectiveness of the fade-out process to give an invisible blend. Use BLEND AWAY for blends and spot repairs. If the edges are not treated a dry edge will be visible after the fresh coating is cured.

#5914 ULTRA KRYSTAL KLEARKOTE (12 OZ.)

5 STAR XTREME Ultra Krystal Klearkote is a ready to use UV resistant clear coat in a convenient aerosol. Ultra Krystal Klearkote is crystal clear with excellent gloss and image depth. Ideal for small spot repairs on bumpers or side panel. #5914 is also an outstanding clear for use under hood, deck lids, and spraying jams for cut ins. Use on all your spray out cards to speed up the process of color match verification. The applications for this product are endless!

#5981 SUPERIOR RUBBERIZED UNDERCOATING (14.3 OZ.)

#5981C SUPERIOR RUBBERIZED UNDERCOATING, VOC COMPLIANT

5 STAR XTREME Superior Rubberized Undercoating is a premium quality paintable surface protectant designed for automotive applications. #5981 will form a hard, textured finish that will help prevent chipping and abrasions caused by stones and debris while inhibiting development of rust. #5981C will form a hard, textured finish that will help prevent chipping and abrasions caused by stones and debris while inhibiting development of rust.
