Premium Semi-Gloss Black Enamel

(12oz.)

5 STAR XTREME PREMIUM SEMI-GLOSS BLACK ENAMEL

Delivers the ultimate protection, gloss and color retention. A superior, high-solids formula that ensures maximum coverage and performance. Resists fading, chipping, stains, weather and corrosion on wood, metal & fiberglass surfaces. Dry to the touch in 15 mins, can be handled in 1 hour. Color: Semi-Gloss Black.

DIRECTIONS: (1) Use at room temperature (70°F) for best results. Do not paint on days when humidity is high.

(2) Shake can for one full minute after mixing ball rattles. Repeat for 10 seconds after each minute of use.

(3) TO SPRAY, hold can 8-10 inches from surface. Use steady, even strokes, keeping can parallel to the surface throughout the stroke. Apply a light mist coat, followed by a full coat. Handle carefully for first few hours. Recoat within 1 hour or wait 5 days for thorough dry.

(4) If spray button becomes clogged, pull off and clean. DO NOT stick pins or wire into can opening. Replace spray button firmly with valve opening pointed away from you.

(5) To clean valve after use, invert can and spray until only clear gas comes out. Discard empty can in trash pick-up. Do not burn, incinerate, or place in home garbage compactor.

The EZ TOUCH™ FANSPRAY® valve requires 50% less finger pressure than a standard valve. Allows greater coverage with less overspray, and manipulates like a professional spray gun.
