

**5 STAR XTREME AUTOBODY PRODUCTS
TECHNICAL DATA INFORMATION**

DATED: May 2020

Discontinued: (5 STAR ADVANTAGE #3302 supersedes #5953)

PRODUCT NUMBER DESCRIPTION

5953 PREMIUM WATERBORNE GUN CLEANER Aerosol 20 fl. oz

DESCRIPTION:

#5953 is a heavy-duty cleaning solvent and paint gun cleaner. #5953 is great for removing grease, adhesives, dirt, grime, paint overspray and for cleaning spray equipment from waterborne coatings.

UNIQUE FEATURES:

NEW SPRAY TECHNOLOGY - INVERT CAN (NOT GUN) TO CLEAN

One easy *Quick Clean* step! Save time and product with our revolutionary system.

- *Innovative assembly inverts can for cleaning paint guns!*
- Removes adhesives, grease, and waterborne paint overspray from external paint gun and external metal surfaces along with fisheye-causing contaminants.
- Does not contain chlorinated solvents.
- Quick action formulation.
- Safe for waterborne shops.

SUITABLE SUBSTRATES

- Spray equipment; paint guns
- Aerosol spray tips

TYPICAL PROPERTIES

Part:	Product Name:	Color:	Container:
5953	Premium Waterborne Gun Cleaner Aerosol	Clear/Opaque	20 fl oz.

Regulatory VOC:

2.08 #/gl (249.8 g/L)

Actual VOC:

Premium Waterborne Gun Cleaner is conditionally exempt per SCAQMD rule 1171. Check local regulations for VOC limits and exemptions.

HANDLING AND APPLICATION

GENERAL APPLICATION

Apply **#5953** liberally to a clean, soft, lint free cloth and wipe surface to be cleaned.

Note:

#5953 will work best with waterborne coatings while they are still wet. Fully dehydrated coatings are more difficult to remove. Clean equipment as soon as possible following application. Not for use with solvent based coatings.

SPRAY GUN

WHILE SQUEEZING THE TRIGGER of the paint spray gun, position the **#5953** can upside down while compressing the can into the fluid intake orifice of a paint spray gun. A steady (sealed) stream of cleaner and paint should emit from the paint gun nozzle.

AEROSOL SPRAY TIP

For cleaning clogged tips, remove spray button with a twisting motion and gently attach clogged tip to **#5953**. Since an "upside down valve" is used in our **Premium Waterborne Gun Cleaner**, the can must be inverted to insure product flow through the aerosol spray tip once depressed. Do not stick a pin or other object into can. Gently replace cleaned spray tip to the top of can with spray button pointed away from you.

STORAGE:

#5953 should be stored in a cool, dry place with adequate ventilation away from heat, sparks and flames. The shelf life is 2 years when stored under normal conditions.

SAFETY INFORMATION - FOR INDUSTRY USE ONLY

Danger: Vapor harmful. May affect the brain or nervous system causing dizziness, headache, or nausea. May cause eye, skin, nose, and throat irritation. Harmful if swallowed. **Precautions:** Vapors may ignite explosively. Keep away from heat, sparks, and flame. Vapors may cause flash fire. Do not smoke. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Prevent buildup of vapors by opening all windows and doors to achieve cross-ventilation. **Use only with adequate ventilation.** Do not breathe vapor or spray mist. Do not get in eyes, on skin or clothing. Wash thoroughly after handling. Wear solvent resistant gloves. The material is designed for application only by professionally trained personnel using proper equipment under controlled conditions, and is not intended for sale to the general public.
